PROFILE

Hello👋! My name is Israel Assefa. I'm a senior full-stack developer based in Ethiopia. I work extensively with **React.js**, **Node.js**, **SQL** and **NoSQL** databases, **Tailwind CSS**, and **Bootstrap**. My expertise lies in web applications that are efficient and user-friendly. I constantly update my skills and explore new technologies to stay ahead in the ever-evolving tech landscape. I have a strong passion for problem-solving and a deep dedication to my work. Building high-performance digital solutions that enhance user experience and drive efficiency is always a priority.
